

Refund Policy on TVP Select Team Training Program

The refund of paid club dues are based on the following:

Injury Policy

Any player that suffers an injury that is medically proven to prohibit them from participating in practice and competition with the TVP Select Training Program for the duration of the current season, may be eligible for a pro-rated refund of the total club season fee schedule, less \$200 which is retained to cover expenses and registration fees on the players behalf. Requests for refunds must be approved by the TVP Director.

Any and all refunds will be returned based on the participant not attending or playing for any other club during the current season. Participants requesting a refund will need to provide a doctor's slip that explains the nature of the injury.

Club Commitment

Any player that elects to not participate once they have committed to the TVP Select Training Program (notification by the player they accepted their invitation into the program and have paid the \$500 deposit to TVP), refunds will be based on a pro-rated amount of the total season club fee cost, less the \$500 deposit which is retained to cover club expenses incurred on the player's behalf. Requests for refunds must be submitted in writing to the TVP Director giving thirty (30) day notice, and approved by the TVP Director.

TVP reserves the right to revise this policy at any time.
